Sir:

In accordance with the Notice of Allowance mailed January 5, 2004, Applicant submits herewith the Part B - Fee(s) Transmittal, along with a check for \$1,630.00.

Applicant notes that in a telephone conversation on April 2, 2004 with Examiner Sun (and further to earlier communications between Applicant's below representative and Examiner Sun), Examiner Sun indicated that the drawings in this application are indeed acceptable. She indicated that the Notice of Allowance mailed January 5, 2004, incorrectly indicated that "corrected drawings must be submitted." Examiner Sun also indicated that a Supplemental Notice of Allowance would be forthcoming indicating that the drawings are acceptable. Accordingly, Applicant has not submitted revised drawings with this submission.
